Incl. 100 accounts	€155	€120	€75	
>100 accounts	Only yearly			

What is included in the subscription price?

- Unlimited number of **tester** accounts (=users with access to all data)
- Unlimited testing, follow-up and training programs for athletes and patients with an active account.

Basic features included in all subscriptions
Exercises:
Library of more than 600 exercises with videos & protocols
Create training programs & program templates
Add your own exercises
In-program feedback possible
Data access:
Online app for data input
Import athletes/patients from Excel
Athletes/patients can log in and receive reports via email

Additional athlete/patient accounts

Additional usage is charged at the end of each subscription year at a fixed price of €5 (Growth & Performance) and €10 (Rehab & Prevention and Full) per account (VAT excl.). If not all accounts are used, up to 20% can be transferred to the next year for some subscription formulas.

For the monthly pricing, the number of accounts is calculated on a yearly basis. Example: if you want to test 50 athletes in month 1 and 50 different athletes in month 2, you'll need 100 accounts for that year. As long as you remain a client, we will store your athlete & testing data; when the subscription is stopped, the data will not be available anymore - so make sure you download them.

Expert training

During our 2-day Expert training you learn all about the latest evidence-based insights on injury prevention and return-to-sports screening. Theoretical background, working with the platform and practical testing is addressed for different sports and injuries.

Our **Certified Expert in injury prevention & return to sport screening** training is open to physiotherapists, medical doctors and other medical practitioners with a sports-orientation and a keen interest in applying science-proven screening with athletes from every age, level or discipline.

Check the training dates online on <https://hylyght.com/en/academy>. Pricing in Belgium: €450 per person; for 3 or more participants of the same practice discounts are available. On-site training is possible in Dutch, English, French, German, Turkish or Spanish from 6 participants onwards.

Other options

Optional features are available for every subscription:

- 3 year commitment (settled yearly): 10% discount on the total amount
- White label (your own platform, no Hylyght branding): €1000/year, min. 3 year commitment
- Sub-organization (e.g. for a sport club or other affiliate) with separated data (GDPR compliant): €200/year
